Dear Sponsor,

Colorado MultiGun, LLC is hosting the first annual **Practical Rifle Team Challenge, PRTC 2006**.

On August 11th to the 13st, the event will be held at the NRA Whittington Center in Raton, New Mexico. This premier range complex is owned and operated by the NRA, and there is not a better place for a match in the Nation.

The fast paced action of the Practical Rifle Team Challenge is designed to test a 2-man team's skills shooting rifle, carbine, and pistol to their effective ranges at practical targets in the natural terrain using what gear they can carry. The eight stages include two night shoots that will be fun and challenging. This event will demand marksmanship with carbine shots out to 500yds and rifles out to 1000yds with expectations of high reliability and innovation from the competitor's equipment. The Whittington Center is 30,000+ acres, and with that in mind we are building the stages in and around "open terrain". All the stages will be scenario based and will leave shooters talking for years to come.

We are currently seeking sponsors for the match and would greatly appreciate your sponsorship. **We would like to hand out your product literature at the match and in the shooter registration packets.**

Colorado MultiGun, LLC has reserved the Coors Facility at the NRAWC allowing us to offer many vendor and exhibitor opportunities. Displays and vending areas are available. Please contact us with your requests.

We thank you for your support and look forward to hearing from you,

Jimmy Holdsworth- Colorado MultiGun
